

GOLDEN CIRCLE

Weekly trade history | 02 January - 25 October 2026

Points and pips only. All times are Telegram message times in IST (UTC+05:30).

CURRENT WEEK | 19 - 25 OCTOBER 2026

GOLD SELL | TP1 +70 points | TP2 +120 points

The sell activated on 21 October. TP1 and TP2 were confirmed hit on 23 October; the later post confirmed profit booked on both portions. These are separate target movements, not a position-size-weighted total.

GOLD | SELL REMAINDER + NEW BUYS RUNNING

One sell portion remains running. Two buy entries were added on 23 October. Running entry and exit levels are reserved for members.

SILVER | RUNNING

The existing silver buy remains running, with an additional entry on 23 October. Running prices remain private to Golden Circle members.

Updated through 25 October 2026. Week covered: Monday 19 to Sunday 25 October. Latest channel trade post: 23 October. All price movements are in points/pips; no cash-profit or position-size assumptions.
